Work Experience:

Alliance Healthcare Répartition, Le Mans

September 2020

That is my student job for two years. I'm an order picker in a pharmaceutical warehouse.

Qualifications:

Le Mans Université, Le Mans — *Licence*

September 2019 to June 2023

This Degree is where I learn all the basics for being a programmer.

Lycée Polyvalent Le Mans Sud, Le Mans — *Baccalauréat*

2019

I had the engineer option Scientist Baccalauréat. I'm so proud of this reward.

Professional Objective:

Data Scientist or Data Analyst

I want to work for a Formula One team and this type of job is really research. I believe that one day, I will help the team to see and understand what engineers can do to improve the car. I would like to win a championship in a team as a Data Scientist. That is one of my dreams.

Computer Skills:

-Python, 1 year

-C/C++, 4 years

-Ruby, 1 year

-Web(HTML, CSS, PHP, JavaScript), 2 years
